About Us

Our Mission

FUN PLAY is the world's premier enrichment and physical development center for children ages 4 months through 12 years. Programs offer children a Springboard to Life's Adventures by using movement-based learning and imaginative play to help build the confidence and skills needed at each stage of childhood.

At FUN PLAY, we believe kids should be able to act like kids. We also believe fun environments are especially conducive to the kind of learning that prepares them for life's adventures. We give children a safe and inspiring space to direct their energy, build confidence, and develop key skills. Explore our classes to find the one that's just right for your child!

The Surprising Benefits of Mixed-Age Classes

Posted March 26, 2019

You probably grew up learning in classrooms separated by age. This is a common way but not the only way. Did you know FUN PLAY first bringing mixed-age groupings to parent-child programs?

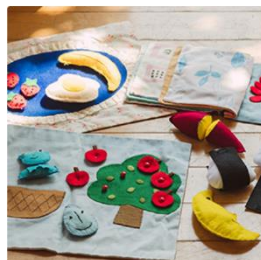

Turning In to How Your Child Learns

Posted February 18, 2019

Others gaze out the window or look at their toes while the class marches. And some are constantly in motion, jumping or toddling around exuberantly. Do you recognize your child in any of these examples?

The First Step for Child

Posted February 2, 2019

You may be wondering if it's time to sign your child up for formal lessons. Most children can benefit from waiting a little longer to start traditional lessons than you might think.

Music Supporting Development

Posted April 23, 2019

The simple and enjoyable act of making music with your child naturally fosters important social and emotional skills.

Playing Support Development

Posted January 15, 2019

We want our children to speak their mind and express their desires, but what do we do when their desires conflict with our desire?
